## Cross Air Conditioning

Cross Air Conditioning have extensive experience in large-scale commercial and industrial installations across the UK and Ireland over the last four decades. We have successfully project-managed installations from the design board through supply, installation, commissioning and maintenance for some of the largest hotel and retail groups in the country.

# Cross Air Conditioning

Cross Air Conditioning is one the UK and Ireland's leading air conditioning providers. We use only the best fixed air conditioning products for all our installation's and during the 40 years we've been working in the refrigeration and air conditioning industry, we have developed unrivalled 24/7 365 day service and maintenance packages, ideal for large and small companies in every area of business.

## Products

Cross Air Conditioning offer the latest ranges of carefully selected quality equipment, supplied direct from the world's leading Air Conditioning manufactures. Our close association with these companies enables us to greatly exceed the minimum specification required for every job we undertake. Cross can supply solutions, and install systems for small offices to large commercial and industrial buildings, Hotels, Hospitals, Shopping centers and Leisure facilities.

## Service and Maintenance

Planned maintenance is crucial to any installation and it is also important to be ready for any problem that may arise. Cross' have covered this vital area by providing an unparalleled service team that is on-call 24 hours a day, 365 days a year, nationwide. This gives all our clients peace of mind that we will be on-hand for any eventuality.

## Experience

In our time in business, we have worked with some of the biggest companies in the country and this has given us the expertise to work on the largest air conditioning installations. Our portfolio speaks for itself as it shows our ability to bring a job in on time, on budget and to the highest specification. This is why we have forged many relationships with blue chip companies who have awarded us multiple contracts.
